फॅशन म्हणजेच ड्रेसिंगची जाण

इमाम सिद्दिकी यांचे मत

पुणे : पुणे ही महाराष्ट्राची सांस्कृतिक राजधानी आहे तसेच विद्येचे माहेरघर म्हणून देखील प्रसिद्ध आहे. यातच जमेची बाजू म्हणजे आयएनआयएफडी कोथरूड व कोरेगाव पार्क यांनी विद्यार्थ्यांना देत असलेले फॅशन डिझायनिंग व इंटिरियर डिझायनिंगचे दर्जेदार शिक्षण जे अप्रतिम आहे. फॅशन म्हणजे महाग

Little things that make the big picture

DESIGN DOSSIERS

There could be nothing better for students, often overwhelmed with reams of theories, to get a sneak peek into the real world — courtesy up-close-and-personal interactions with industry experts. The diarist was witness to one, between students of the International Institute of Fashion Design, Kothrud, recently, and designer Krishna Mehta. The veteran couturier spoke to eager youngsters about the industry's changing scenario, entrepreneurship and the intricacies of fashion marketing and retail. Rupali Bajjal, a first-year student, said: "One of the most crucial takeaways for me was Mehta's advice on costing. She spoke about how to work backwards with the costing so we don't overshoot budgets. Another was how it's not just the clothes that make for a good fashion show — there's hair and make-up, music, lights, the works." That is the kind of knowledge that no book can teach, the youngster concluded.

Students Inifd and the London School of Trends presented capsule collections at London Fashion Week under the guidance of Joseph Toronka. This time independent designers were Ms Priyanka Khosla, Namza by Padma, Bharti Kapoor, Heena Tangri, Muskan Gaba and Parnika Bansal.

Inifd and the London School of Trends were the only fashion-institutes that gave their students the opportunity to show collections for six seasons in a row in two fashion capitals of the world - London and New York.

Inifd works exclusively with the London School of Trends, whose mentors from London and New York come to India and prepare students for shows on platforms such as London and New York Fashion Week. This season, popular Indian fashion bloggers were invited to the fashion show: Aashna Shroff, Kritika Khurana, Riya Jain and Deeksha Khurana.
